 USER'S GUIDE

LMS FULL SCREEN VIEW

You can enable and disable the Full screen view on LMS by clicking on the icon  available on LMS main screens.

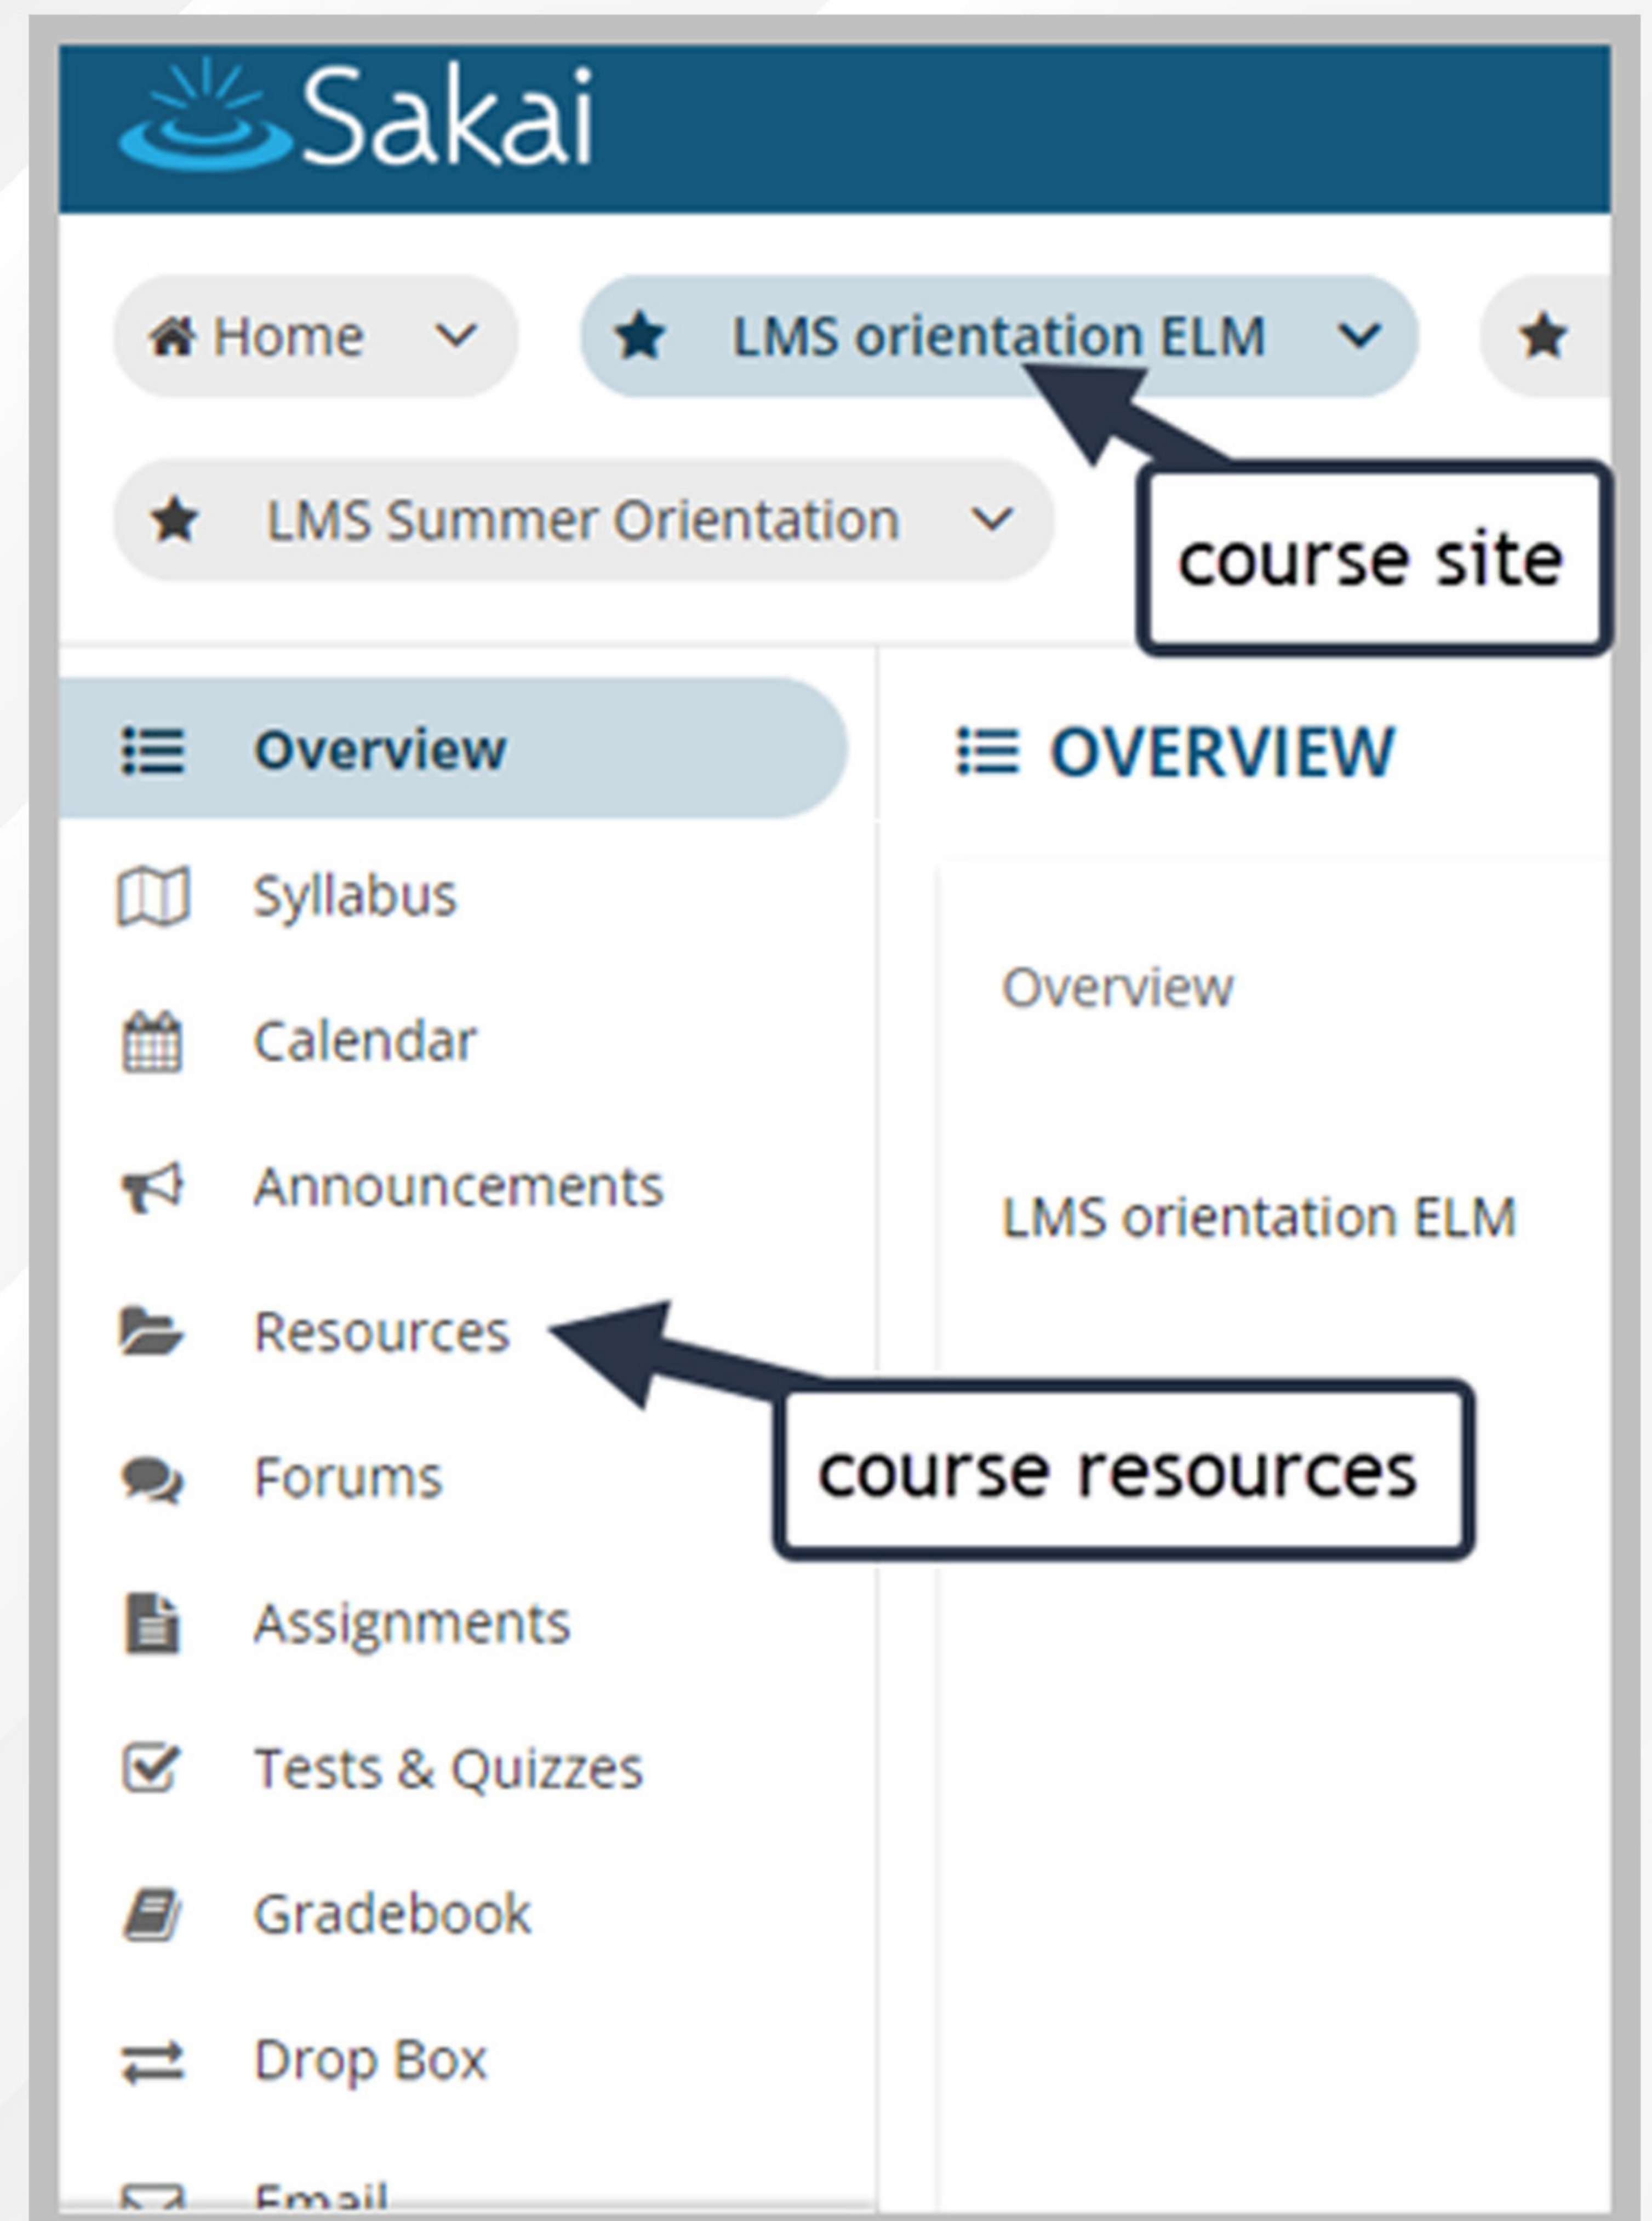

If you have accidentally clicked this icon and unable to view your course sites, find this icon  and click it to revert to your normal view.

COURSE SITE RESOURCES AVAILABILITY

If your students are unable to view the resources shared in LMS resource folder, make sure that the resources are shared in course site's resources and not your homepage resources.

Resources can be shared with students enrolled in course site through resource folder available on left hand side of LMS site.

UNABLE TO FIND YOUR OLD COURSE SITES

The archived/old course sites will be available at:

<https://lmsarchive-2022.lums.edu.pk> for your convenience in case you want to access the course-related resources. You can access the above link using your LMS login credentials.
